

*Saint Anthony Mary Claret
Pray for us!*

I love you, O Lord,
my strength,
O Lord, my rock,
my fortress, my deliverer.
My God; my rock of refuge,
my shield,
the horn of my salvation,
my stronghold!
You indeed, O Lord,
give light to my lamp;
O my God,
you brighten the darkness
about me...
God's way is unerring,
the promise of the Lord
is fire-tried;
he is a shield to all
who take refuge in him...
You have given me
your saving shield;
your right hand has
upheld me,
The Lord Live!
And blessed be my Rock!
Extolled be God my savior.

Deer Hunting with Dads and Boys

Mark your calendars for the Minnesota Deer Hunting Season! We'll be going deer hunting with any dads and boys who are 12 years old and older. Boys must have their Firearms Safety Certificate and must be 14 or older to hunt alone.

Deer Hunting outings with our group will be on Sunday, November 6th after the 9AM Mass, Sunday, November 13th at a time to be determined, and possibly, Thursday November 17th.

We always see deer, often get shooting, and we do bring home deer! One season we got one deer for our party, the night after the shoot we butchered it in my garage, and I fried up the tenderloins in butter and served them! Nobody can say that deer doesn't taste great!

I need you to call the Office at 952-929-0113 x 10 to sign up for the hunts. Please leave the following information:

- ✓ Your Name?
- ✓ Your Age?
- ✓ Phone number?
- ✓ Can you drive that day?
- ✓ Who you are riding with? or
- ✓ Do you need a ride?

I'd like to have at least 2 adults per vehicle of young hunters, so we need a good number of dads. Let's go get 'em!

Fr. Thomas Dufner

All In God's Plan

Part 1 Chastity Program

**Father and Son Program (for boys ages 12 - 13)
is Friday, November 11, 7-9:30pm**

**Mother and Daughter Program (for girls ages 10 - 13)
is Sunday, November 13, 2-4:30pm**

All programs take place downstairs in Moorman Hall

We are very pleased to offer this first level of the *All In God's Plan* chastity program at Holy Family for fathers attending with their sons; mothers attending with their daughters. The material presented is age sensitive. The *All In God's Plan* program helps parents by assisting them in teaching their youth about God's gift of human sexuality and the sacredness of human life. The goal is to help the parent be the teacher during these "growing up" years. (If a parent is unable to attend, another trusted adult such as a grandparent or an aunt/uncle may attend.)

The program consists of several presentations including a parent speaking about their vocation, an older teen giving a witness and a Christian medical doctor highlighting the physical aspects of growing up. Their topics include:

- ✓ Emotional and Physical Changes
- ✓ Peer Pressure
- ✓ Respect for Self and Others
- ✓ Encouragement to Develop and Practice Virtue

The program includes an informative and respectful Power Point presentation with time for written questions and answers at the end. Delicious refreshments are also served.

Father Dufner, Ann Coone, principal of Holy Family Academy, Elizabeth Brown, Confirmation Coordinator and Jean Prather, Coordinator of Elementary Religious Education recommend the All In God's Plan - Part 1 Chastity Program under the leadership of Jim and Mary Glover.

Adoration Notes:

Thanks to all faithful adorers for your dedication to Perpetual Adoration in our parish! Currently we have a couple of reminders for everyone: If you are not able to keep your designated hour for the week please speak with your prayer partner first (if there are two adorers at your hour) then call your coordinator to arrange for a sub. Remember that you need to talk with someone to assure that your adoration time is covered. All numbers are posted on the bulletin board outside the chapel. It helps to put those numbers in you cell phone memory. Finally, invite fellow parishioners to participate in Eucharistic Adoration by scheduling an hour a week with Jesus in our beautiful chapel. He will richly bless you and your families! Call the Glovers at 763.533.0423 to choose a time that will work for you.

Archdiocesan Strategic Plan Update

The Strategic Plan for the Archdiocese of Saint Paul and Minneapolis was announced one year ago. Since that time, the Catholic Schools Commission laid the groundwork for reinvesting in schools across the Archdiocese, a Latino Ministry Advisory Council was established to strengthen ministry to the growing Spanish-speaking community, and planning is underway to launch more robust outreach to youth and young adults throughout our community, among many other efforts. If you are interested in finding out more about what has happened under the Strategic Plan during this past year, including structural changes involving parishes and schools, as well as learning about upcoming strategic initiatives aimed at helping us all better fulfill the mission of the Church, please visit archspm.org and click on the "Archdiocesan Planning Update" button on the right hand side of your screen.

Pro-Life Corner

Every five hours a child dies from abuse or neglect in the US. The latest government figures show an estimated 1,770 children were killed as a result of maltreatment in 2009. A recent congressional report concludes the real number could be nearer 2,500. In fact, America has the worst child abuse record in the industrialized world. Even when populations are taken into account, Unicef research from 2001 places the US equal bottom with Mexico on child deaths from maltreatment. While child abuse blights the lives of victims' families, its devastating impact is felt far beyond relatives and friends. Abused children are 74 times more likely to commit crimes against others and six times more likely to maltreat their own children, according to the Texas Association for the Protection of Children. For this reason, experts believe it is in the US government's as well as society's interest to ensure children are protected from abuse. Each and every citizen, they say, has a responsibility to help break this cycle of violence. <http://www.bbc.co.uk/news/world-us-canada-15288865>
