*O Lord,  
you have been  
our refuge  
through all generations.  
Before the mountains  
were begotten  
and the earth and the world  
were brought forth,  
from everlasting to  
everlasting  
you are God...  
Teach us to number  
our days aright,  
that we may  
gain wisdom of heart.*

*Psalm 90*

## Fall Festival Part II

As we revamp the Fall Festival it has turned out to be very beneficial to break it up into parts. Part I was in August with the Smoker Poker, Chicken Dinner and the Band. Part II is coming up the weekend of November 14 & 15 where we will have the Raffle and Pancake Breakfast! Part III is still in the planning stages with a fine dinner which we hope to do sometime in the winter. I like the idea of a "South Seas Dinner!"

As we move into Fall Festival Part II we need to continue to work together on selling our Raffle Tickets to make this a big success. As you know the Raffle is one of the key fundraisers for Holy Family and we count on raising over \$20,000. Please do your part to sell your tickets and come and enjoy the Pancake Breakfast on November 15th!

Fr. Dufner

# All In God's Plan

## Part 1 Chastity Program

**Father and Son Program (for boys ages 12 - 13)  
is Friday, November 20, 7-9:30pm**

**Mother and Daughter Program (for girls ages 10 - 13)  
is Sunday, November 22, 2-4:30pm**

*All programs take place downstairs in Moorman Hall*

We are very pleased to offer this first level of the *All In God's Plan* chastity program at Holy Family for fathers attending with their sons; mothers attending with their daughters. The material presented is age sensitive. The *All In God's Plan* program helps parents by assisting them in teaching their youth about God's gift of human sexuality and the sacredness of human life. The goal is to help the parent be the teacher during these "growing up" years. (If a parent is unable to attend, another trusted adult such as a grandparent or an aunt/uncle may attend.)

The program consists of several presentations including a parent speaking about their vocation, an older teen giving a witness and a Christian medical doctor highlighting the physical aspects of growing up. Their topics include:

- ✓ Emotional and Physical Changes
- ✓ Peer Pressure
- ✓ Respect for Self and Others
- ✓ Encouragement to Develop and Practice Virtue

The program includes an informative and respectful Power Point presentation with time for written questions and answers at the end. Delicious refreshments are also served.

*Father Dufner, Ann Coone, principal of Holy Family Academy, Elizabeth Brown, Confirmation Coordinator and Jean Prather, Coordinator of Elementary Religious Education recommend the All In God's Plan - Part 1 Chastity Program under the leadership of Jim and Mary Glover.*

### Pro-Life Corner

One hot topic in current politics is health care reform for which there are good arguments for and against. What should be kept in mind in the decision process was recently outlined by two bishops, Archbishop Joseph Naumann of Kansas City, Kansas, and Bishop Robert Finn of Kansas City - St. Joseph, in 'The Catholic Key', a diocesan newspaper. Some highlights of this informative article are:

- Change itself does not guarantee improvement.
- Taxpayers have to be protected from being coerced to fund abortions.
- Reform legislation must guarantee the rights of conscience for individuals and institutions.  
(Health care providers have to be able to deny services that are against their conscience.)
- The implementation of some sort of mandatory end of life consultation has to be rejected.
- A right to access health care does not necessarily mean the government has to provide it.
